Mrs. Redding

Name: _____

Last week's memory verse was 2 Timothy 3:16-17.

How does this passage answer the question: "Is the Bible really God's Word, and does it really relate to MY life?" (4 sentence minimum)

How could 40 men, from three different continents, over the course of 1,500 years, write a book dealing with hundreds of subjects and never contradict each other once?" – Greg Stier

Check out 2 Peter 1:20-21 and Proverbs 30:5 (Again, 4 sentence minimum)

Don't forget that when Jesus talks about "the Word of God" in the New Testament, he's referring to the Old Testament. What does he say about the Law and the Prophets in Matthew 5:17-18?
(in your own words)
